QTD, YTD and 1 Year performance is not annualized.

Class A operating expenses are 0.55%.

Yields may reflect voluntary fee waivers that may be discontinued at any time. As of 12/30/2011, the 7 day yield was 0.01%. Absent the fee waivers, the 7 day yield would have been -0.44%. Operating expenses are presented on a gross basis and do not reflect these fee waivers.

Average annual total returns reflect the change in share price and the reinvestment of all dividends and capital gains. Net Asset Value (NAV) returns do not reflect the deduction of any sales charges. Shares of money market funds are offered to the public at their constant net asset value of \$1.00 per share with no sales charge. POP (Public Offering Price) performance reflects the deduction of the maximum sales charge of 0%.

The 7-Day Current Yield refers to the average daily income generated by an investment in the Fund over a 7-day period. The income is then "annualized" and shown as a percentage of the investment. Yield is for the 7-day period ended 12/30/2011. Total return includes changes in share price and the reinvestment of income dividends and all capital gain distributions. Performance figure reflects a partial waiver of fees where applicable. **The current yield quotation more closely reflects the current earnings of the Insight Tax-Exempt Money Market Fund than the total return quotation.**
