

Ellen P. Welsh, CFA

Managing Director, Senior Investment Manager
Seix Investment Advisors LLC

Ellen Welsh is a managing director and senior investment manager at Seix Investment Advisors, an investment management affiliate of Virtus Investment Partners. A seasoned fixed income investment professional, Ms. Welsh is responsible for a number of large client relationships.

Before joining Seix, Ms. Welsh was a partner and senior fixed income portfolio manager at Weiss, Peck & Greer where she managed investment grade portfolios, helped develop quantitative strategies, and was a member of the Investment Policy Group. Prior to that, she was the fixed income portfolio manager and, as manager of economic analysis, developed industry econometric models at International Paper Company. She began her career as an economist at Townsend-Greenspan & Co., Inc.

Ms. Welsh earned a B.A. in economics from George Washington University and an M.A. in economics from Columbia University. She holds the Chartered Financial Analyst® (CFA®) designation. Ms. Welsh has worked in the investment management industry since 1986.
