AUDIT COMMITTEE CHARTER

Organization

The Audit Committee (the "Committee") of Duff & Phelps Select Energy MLP Fund Inc., Virtus Global Dividend & Income Fund Inc., Virtus Global Multi-Sector Income Fund, and Virtus Total Return Fund Inc. (the "Funds") shall consist of at least three (3) members at the time of listing on the New York Stock Exchange, all of whom are members of the Funds' Board of Trustees (the "Board") and who are "disinterested" Trustees¹ as that term is defined in the Investment Company Act of 1940, as amended or "independent" as defined in the Sarbanes-Oxley Act of 2002, whichever is more restrictive. Each member of the Committee shall be financially literate as that term is interpreted by the Board in their business judgment, and at least one member shall be an "audit committee financial expert" as that term is defined in Item 3 of Form N-CSR. The Board shall appoint Committee members, and shall designate the Committee Chair. The Board shall have the power at any time to change the membership of the Committee and to fill vacancies in it, subject to such new member(s) satisfying the independence, experience and financial expertise requirements referred to above. Management of the Funds shall provide or arrange to provide such information, data and services as the Committee may request.

Role and Responsibilities

The function of the Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting, and the responsibility of the Funds' independent registered public accounting firm (the "Auditors") to plan and carry out a proper audit. Specifically, Funds' management is responsible for: (1) the preparation, presentation and integrity of the Funds' financial statements; (2) the maintenance of appropriate accounting and financial reporting principles and policies; and (3) the maintenance of internal control over financial reporting and other procedures designed to assure compliance with accounting standards and related laws and regulations. The Auditors are responsible for planning and carrying out an audit consistent with applicable legal and professional standards and the terms of their engagement letter. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of the Funds' service providers, including the Auditors.

Although the Committee is expected to take a detached and questioning approach to the matters that come before it, the review of the Funds' financial statements by the Committee is not an audit, nor does the Committee's review substitute for the responsibilities of the Funds' management for preparing, or the Auditors for auditing, the financial statements. Members of the Committee are not full-time employees of the Funds and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to assure compliance with laws and regulations or to conduct "field work" or other types of auditing or accounting reviews or procedures.

In discharging their duties the members of the Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented

¹ The term "Trustee" includes a Director of an investment company organized as a corporation.

by: (1) one or more officers of the Funds whom the Trustee reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Trustee reasonably believes are within the person's professional or experts competence; or (3) a Board committee of which the Trustee is not a member.

Purposes

The purposes of the Committee are:

- (a) to oversee the Funds' accounting and financial reporting processes, and to receive reports regarding their internal control over financial reporting;
- (b) to oversee the quality and integrity of the Funds' financial statements and the independent audit thereof;
- (c) to oversee, or, as appropriate, assist Board oversight of, the Funds' compliance with legal and regulatory requirements that relate to the Funds' accounting and financial reporting, and independent audits;
- (d) to approve prior to appointment the engagement of the Funds' Auditors and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Funds' Auditors;
- (e) to prepare an audit committee report as required by Item 306 of Regulation S-K to be included in the proxy statements relating to the election of directors; and
- (f) to act as a liaison between the Funds' Auditors and the full Board.

The Auditors for the Funds shall report directly to the Committee.

- (b) to recommend the selection of the independent accountants to the full Board;
- (c) to approve prior to appointment the engagement of the Auditors to provide other audit services to the Funds or to provide non-audit services to the Funds, the Funds' advisers or any entity controlling, controlled by, or under common control with the Funds' advisers ("adviser affiliate") that provides ongoing services to the Funds, if the engagement relates directly to the operations and financial reporting of the Funds;

- (f) to consider whether the non-audit services provided by the Funds' Auditors to the Funds' advisers or any adviser affiliates that provide ongoing services to the Funds, which services were not pre-approved by the Committee, are compatible with maintaining the Auditors' independence; however, the Auditor should have all audit and non-audit services pre-approved by the Committee, before performing such service;

- (j) to review the annual audited and the semi-annual financial statements, with Fund Management and the Auditors, including major issues regarding the accounting and auditing principles and practices and including any related disclosures, and, if a fund chooses to include Management's Discussion of Fund Performance in its Form N-CSR, to meet to review and discuss it;
- (k) to receive at least annually a report from the Auditors within 90 days prior to the filing of the Auditors' report (or receive an updated report within such 90-day period, if the Auditors' annual report is presented to the Committee more than 90 days prior to the filing of the Auditors' report) which includes the following: (i) all critical accounting policies and practices used by the Funds (or, in connection with any update, any changes in such accounting policies and practices), (ii) all material alternative accounting treatments within GAAP that have been discussed with management since the last annual report or update, including the ramifications of the use of the alternative treatments and the treatment preferred by the Auditors, (iii) other material written communications between the Auditors and the management of the Funds since the last annual report or update, and (iv) a description of all non-audit services provided, including fees associated with the services, to the Funds' complex since the last annual report or update that were not subject to the pre-approval requirements as discussed above;
- (l) to consider the effect upon the Funds of any changes in accounting principles or practices proposed by management or the Funds' Auditors and to review any other matters, including legal or regulatory matters, the Funds' compliance policies and any material reports or inquiries received from regulators or government agencies, that may have a material effect on the Funds' financial statements;
