VIRTUS GLOBAL DIVIDEND & INCOME FUND ANNOUNCES PRELIMINARY RESULTS OF TENDER OFFER

HARTFORD, CT, December 27, 2016 – [Virtus Global Dividend & Income Fund Inc.](#) (NYSE: ZTR) (the “Fund”) announced today that the Fund’s tender offer for 1,351,195.45 of its issued and outstanding shares of common stock, representing approximately 5 percent of the Fund’s outstanding shares, expired at 11:59 p.m., New York time, on December 23, 2016.

Based upon current information, approximately 7,860,267.00 shares were tendered, including shares tendered pursuant to notices of guaranteed delivery. Based on this preliminary information, the pro-ration for each tendering stockholder is estimated to be 17.1902 percent of the shares properly tendered. These numbers are subject to adjustment and should not be regarded as final. The actual number of shares to be purchased is anticipated to be announced on January 3, 2017. Payment for such shares will be made on or about January 5, 2017. The purchase price of properly tendered shares is 98 percent of the net asset value per share determined as of the close of the regular trading session of the New York Stock Exchange (NYSE) on December 23, 2016, which is equal to \$12.4950 per share.

About the Fund

[The Virtus Global Dividend & Income Fund Inc.](#) is a diversified closed-end fund that seeks to generate total return, consisting of capital appreciation and income. It currently targets an allocation of 60 percent equity securities and 40 percent fixed income. The equity allocation is invested exclusively in what the managers believe are high-quality companies within the high yielding global equity universe. The fixed income allocation is invested primarily in intermediate-term debt securities across 14 fixed income sectors. The fund also pursues an options income strategy whereby it purchases and sells out-of-the money puts and calls, creating an options spread.

Virtus Investment Advisers has been the investment adviser to the fund and Kayne Anderson Rudnick and Newfleet Asset Management have been subadvisers since September 7, 2016.

Fund Risks

An investment in the fund is subject to risk. The fund's shares may be worth less than what an investor paid for them when they are sold. The options strategy may not be successful in its objective of increasing distributable income while limiting the risk of loss and could result in increased losses for investors.

About Kayne Anderson Rudnick

[Kayne Anderson Rudnick](#) (KAR) believes that superior risk-adjusted returns may be achieved through investment in high-quality companies with market dominance, excellent management, financial strength, and consistent growth, purchased at reasonable prices. KAR's investment strategy is to build a portfolio of companies that have strong, consistent growth with low business and financial risk, and hold these companies over the long term based on its conviction that the investment returns of the portfolio will mirror the financial results of these companies.

About Newfleet Asset Management

[Newfleet Asset Management](#) provides comprehensive fixed income portfolio management in multiple strategies. Newfleet leverages the knowledge and skill of a team of investment professionals with expertise in every sector of the bond market, including evolving, specialized, and out-of-favor sectors. The team employs active sector rotation and disciplined risk management to portfolio construction, avoiding interest rate bets, and remaining duration neutral to each strategy's stated benchmark.
