

Michael E. Yee
Managing Director, Portfolio Manager
Allianz Global Investors

Michael Yee is a portfolio manager and a managing director with Allianz Global Investors. He has portfolio management, research, and trading responsibilities for the US Income and Growth Strategies team. He is also a lead portfolio manager for the firm's Income and Growth strategy since its inception in 2007. In addition, Mr. Yee is responsible for managing multiple closed-end and open-end mutual funds.

Mr. Yee was previously an analyst for the Global and Systematic team with responsibilities focused on U.S. large cap equity strategies. In addition, he also worked in global portfolio administration and in client service.

Prior to joining Allianz Global Investors in 1995, Mr. Yee was a financial consultant for Priority One Financial/Liberty Foundation.

Mr. Yee earned a B.S. from the University of California, San Diego, and an M.B.A. from San Diego State University. He began his career in the investment industry in 1994.
