**1. Important Information**

Use this form to convert a traditional, SEP or SIMPLE (after the required two year holding period) Individual Retirement Account ("IRA") from another custodian or trustee to a Virtus Mutual Funds Roth IRA. If establishing a new Roth IRA, attach a completed Roth Individual Retirement Account Application and Adoption Agreement. This form is not intended for initiating conversions from employer sponsored plans; 401(k) or 403(b) plans (contact your plan's administrator for instructions).

Beginning in 2010, there are no eligibility requirements for converting a traditional, SEP or SIMPLE IRA into a Roth IRA under the Tax Increase Prevention and Reconciliation Act of 2006 ("TIPRA"). You should consult your tax advisor or the Internal Revenue Service (IRS) website [www.irs.gov](http://www.irs.gov) for more information.

**4. Taxes Withholding Election**

Contact your current custodian or trustee for state tax requirements, if any.

IRS regulations require the custodian or trustee of your IRA to withhold federal income taxes from the conversion distribution at the rate of 10% unless you elect not to have withholding apply. Withholding will apply to the entire amount of the conversion distribution, including the amount of any nondeductible contributions that may have been made to the IRA. You may not convert any portion of required minimum distributions (RMDs).

If you elect to have no federal income taxes withheld from your distribution, or if you do not have enough federal income tax withheld from your distribution, you will remain liable for payment of any federal income tax on the conversion distribution and you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. If you elect to have federal income taxes withheld, you may still invest the entire amount of the conversion distribution into your Virtus Mutual Funds Roth IRA by using other assets to replace amounts withheld as a prepayment of federal income taxes. Remember, if you use your IRA assets to pay taxes on the conversion distribution amount (either by liquidating additional shares or by not replacing amounts withheld for federal income tax), the IRA assets used to pay those taxes may be considered a premature distribution (if you are under the age of 59½) since they are not being converted into the Roth IRA or rolled over into another IRA and you could also be subject to a 10% early withdrawal penalty.

- I elect **NOT TO** have federal income tax withheld from this conversion distribution.
- I elect **TO** have 10% federal income tax withheld from this conversion distribution.
- I elect **TO** have \_\_\_\_\_% federal income tax withheld from this conversion distribution.  
(must be more than 10%)
