1b Elect Connie D. McDaniel as a Class III trustee of VGI	VGI shareholders
1c Elect Philip R. McLoughlin as a Class III trustee of VGI	VGI shareholders

2 Transact such additional business as properly comes before the Meeting	VGI and/or ZTR shareholders

The Annual Meeting is scheduled as a joint meeting of the respective shareholders of the Funds and the shareholders of Duff & Phelps Select MLP and Midstream Energy Fund Inc. (NYSE: DSE) because all three such funds are in the same family of funds and the shareholders of each such fund are expected to consider and vote on similar matters. Shareholders of each such

fund will vote separately on each of the proposals relating to their respective fund, and an unfavorable vote on a proposal by the shareholders of one such fund will not affect the implementation by any other such fund of such proposal if the shareholders of such other fund approve the proposal. The Board has determined that the use of a joint proxy statement for the Annual Meeting is in the best interest of the shareholders of each Fund.

All properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked on the proxy card, proxies submitted by holders of each respective Fund's shares of common stock of beneficial interest ("Shares") will be voted "FOR" Proposals 1a through 1f, as appropriate. The persons named as proxy holders on the proxy card will vote in their discretion on any other matters that may properly come before the Annual Meeting. Any shareholder executing a proxy has the power to revoke it prior to its exercise by submission of a properly executed, subsequently dated proxy, by voting in person (virtually), or by written notice to the Secretary of the Funds (addressed in care of the Fund(s), at 101 Munson Street, Greenfield, MA 01301-9668). However, virtual attendance at the Annual Meeting, by itself, will not revoke a previously submitted proxy. Unless the proxy is revoked, the Shares represented thereby will be voted in accordance with specifications therein.

Only shareholders or their duly appointed proxy holders can attend (virtually) the Annual Meeting and any adjournment or postponement thereof. You will be able to attend and participate in the Annual Meeting online, vote your shares electronically and submit your questions by visiting: www.meetingcenter.io/284810290 at the meeting date and time described in the accompanying proxy statement and entering the control number found in the shaded box of your proxy card. The password for the meeting is VIR2021.

If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Annual Meeting virtually on the Internet. To register to attend the Annual Meeting online by webcast you must submit proof of your proxy power (legal proxy) reflecting your Fund holdings along with your name and email address to Computershare. Requests for registration must be labeled as "Legal Proxy" and be received no later than 5:00 p.m. Eastern Time on May 14, 2021.

You will receive a confirmation of your registration by email after we receive your registration materials.

Requests for registration should be directed to us by emailing an image of your legal proxy to shareholdermeetings@computershare.com.

The online meeting will begin promptly at 9:00 a.m. Eastern Time. We encourage you to access the meeting prior to the start time leaving ample time for the check in. Please follow the registration instructions as outlined in this proxy statement.

The record date for determining shareholders entitled to notice of, and to vote at, the Annual Meeting and at any adjournment or postponement thereof has been fixed at the close of business on March 29, 2021 (the "Record Date"), and each shareholder of record at that time is entitled to cast one vote for each Share (or fractional vote for each fractional Share) registered in his or her name. As of the Record Date, 11,307,507.602 Shares of VGI and 47,475,577 Shares of ZTR were outstanding and entitled to be voted with respect to each respective Fund.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING TO BE HELD ON MAY 19, 2021:

The Proxy Statement for the Annual Meeting is also available at <https://www.proxy-direct.com/vir-31987>. Each Fund will furnish, without charge, a copy of its respective annual report for the fiscal year ended November 30, 2020, to any Fund shareholder upon request. To request a copy, please call 1-866-270-7788 or write to the Funds' Secretary in care of the Fund(s), at 101 Munson Street, Greenfield, MA 01301-9668.

1. ELECTION OF DIRECTORS

Background

The Board is responsible for the overall management of the respective Fund, including general supervision and review of the Fund's operations. The Board, in turn, elects the officers of the Fund who are responsible for administering the Fund's day-to-day affairs. Among other things, the Board generally oversees the management of the Fund and reviews and approves the Fund's advisory and subadvisory contracts and other principal contracts. Directors of each Fund are divided into three classes, and are elected to serve three-year staggered terms. Each year, the term of office of one class expires.

Effect of the Approval of Proposals 1a Through 1f

If each of Proposals 1a through 1f is approved, the respective nominee would be elected as a Director effective as of the Annual Meeting. Each would continue to serve on the Board as the respective Class III or Class I Director, as applicable, for an additional term of three years, and until his or her successor has been duly elected and qualified.

Election of VGI Trustees (Proposals 1a Through 1c)

At the meeting, holders of VGI Shares are entitled to elect three trustees for a term ending in 2024, in each case to serve until the annual meeting of

shareholders in that year and until their respective successors are duly elected and qualified. A majority of votes cast at the meeting by the holders of VGI Shares is necessary to elect those trustees, provided a quorum is present.

Election of ZTR Directors (Proposals 1d Through 1f)

At the meeting, holders of ZTR Shares are entitled to elect three directors for a term ending in 2024 to serve until the annual meeting of shareholders in that year and until their respective successors are duly elected and qualified. A plurality of votes cast at the meeting by the holders of ZTR Shares is necessary to elect those directors, provided a quorum is present.

ADDITIONAL INFORMATION ABOUT PROPOSALS 1a THROUGH 1f

The holders of each Fund's Shares will have equal voting rights (i.e., one vote per Share) and will vote together as a single class with respect to Proposals 1a through 1f, as applicable.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy "FOR" the election of the Director Nominee described in Proposals 1a through 1f.

Background and additional information concerning the current Directors and the Nominees is set forth in the tables that follow. The "Interested" Director is indicated by an asterisk (*). Independent Directors are those who are not "interested persons" (as defined in Section 2(a)(19) of the Investment Company Act of 1940 (the "1940 Act")) of (i) the Fund, (ii) the Fund's investment adviser (Virtus Investment Advisers, Inc., the "Adviser") or subadvisers (Newfleet Asset Management, LLC and Duff & Phelps Investment Management Co., each a "Subadviser"), or (iii) a principal underwriter of the Fund, and who satisfy the requirements contained in the definition of "independent" as defined in the 1940 Act (the "Independent Directors").

Director and Director Nominee Qualifications

The Board has determined that each Director and Director Nominee should serve as such based on several factors (none of which alone is decisive). Among the factors the Board considered when concluding that an individual should serve as a Director were the following: (i) availability and commitment to attend meetings and perform the responsibilities of a Director, (ii) personal and professional background, (iii) educational background, (iv) financial expertise, (v) ability, judgment, personal attributes and expertise, and (vi) familiarity with the Fund or its service providers. In respect of each Director and Director Nominee, the individual’s professional accomplishments and prior experience, including, in some cases, in fields related to the operations of the Fund, were a significant factor in the determination that the individual should serve as a Director of the Fund.

Following is a summary of various qualifications, experiences and skills of each Director and Director Nominee (in addition to business experience during the past five years as set forth in the table above) that contributed to the Board’s conclusion that an individual should serve on the Board. References to the qualifications, attributes and skills of a Director and Director Nominee do not constitute the holding out of any Director or Director Nominee as being an expert under Section 7 of the Securities Act of 1933, as amended, or the rules and regulations of the SEC.

Required Vote

The election of three Trustee Nominees to the Board of VGI requires a majority of the votes cast on the matter by the shareholders of that Fund at the Annual Meeting, provided a quorum is present.

The election of three Director Nominees to the Board of ZTR requires a plurality of the votes cast on the matter by the shareholders of that Fund at the Annual Meeting, provided a quorum is present. Under a plurality vote, the candidates who receive the highest number of votes will be elected, even if they receive approval from less than a majority of the votes cast. Because the Director Nominees are running unopposed, all three Director Nominees are expected to be elected as Directors, as all Director Nominees who receive votes in favor will be elected, while votes not cast or votes to withhold will have no effect on the election outcome.

THE FUNDS' BOARDS, INCLUDING THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMEND THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF EACH DIRECTOR NOMINEE IN PROPOSALS 1a THROUGH 1f.

Signed but unmarked proxies will be voted in accordance with the Board's recommendation.

ADDITIONAL INFORMATION ABOUT DIRECTORS AND OFFICERS

Leadership Structure of the Board of Directors

The primary responsibility of each Board is to represent the interests of the Funds and to provide oversight of the management of each Fund. The Funds' day-to-day operations are managed by the Adviser, the Subadvisers, and other service providers who have been approved by the Board. Generally, the Board acts by majority vote of all the Directors, including a majority vote of the Independent Directors if required by applicable law.

In addition to five regularly scheduled meetings per year, each Board expects to hold special meetings either in person or via telephone to discuss specific matters that may require consideration prior to the next regular meeting. As discussed below, each Board has established standing committees to assist it in performing its oversight responsibilities, and each such committee has a chairperson. Each Board may also designate working groups or ad hoc committees as it deems appropriate.

Mr. McLoughlin serves as Chairman of each Board. The Chairman's primary role is to participate in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairman also presides at all meetings of the Board and between meetings generally acts as a liaison with the Funds' service providers, officers, legal counsel, and the other Directors. The Chairman may perform such other functions as may be requested by the Board from time to time. Except for any duties specified herein or pursuant to the Fund's Charter and/or Bylaws, or as assigned by the Board, the designation of Chairman does not impose on such Independent Director any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Board believes that this leadership structure is appropriate because it allows the Board to exercise informed and independent judgment over matters under its purview, and it allocates areas of responsibility among committees or working groups of Directors and the full Board in a manner that enhances effective oversight. Mr. McLoughlin previously served as the Chairman and Chief Executive Officer of the company that is now Virtus; however, he is now an Independent Director due to (a) the fact that Virtus is no longer affiliated with The Phoenix Companies, Inc., and (b) the passage of time.

The same is true for Mr. Moyer, who previously served as Chief Financial Officer and Executive Vice President of the company that is now Virtus. Because of this balance, it is believed that Mr. McLoughlin and Mr. Moyer each have the ability to provide independent oversight of the Funds' operations within the context of his detailed understanding of the perspective of the Adviser and the Funds' other service providers. Each Board, therefore, considers leadership by Mr. McLoughlin (and service by Mr. Moyer) as enhancing the Board's ability to provide effective independent oversight of the Funds' operations and meaningful representation of the shareholders' interests.

Each Board also believes that having a super-majority of Independent Directors is appropriate and in the best interest of the Funds' shareholders. Nevertheless, each Board also believes that having an interested person serve on the Board brings corporate and financial viewpoints that are, in each Board's

view, crucial elements in its decision-making process. In addition, each Board believes that Mr. Aylward, who is currently the President of the Adviser, and the President and Chief Executive Officer of Virtus, and serves in various executive roles with other affiliates of the Adviser who provide services to the Funds, provides each Board with the Adviser's perspective in managing and sponsoring other Virtus registered funds as well as the perspective of other service providers to the Funds. The leadership structure of each Board may be changed at any time and in the discretion of the Board, including in response to changes in circumstances or the characteristics of the Funds.

Board's Role in Risk Oversight

As a registered investment company, each Fund is subject to a variety of risks, including investment risks, financial risks, compliance risks and regulatory risks. As part of its overall activities, each Board oversees the management of each Fund's risk management structure by the Fund's Adviser, Subadvisers, administrator, officers and others. The responsibility to manage the Funds' risk management structure on a day-to-day basis is subsumed within the other responsibilities of these parties. Each Board then considers risk management issues as part of its general oversight responsibilities throughout the year at regular meetings of each Board and its committees, and within the context of any ad hoc communications with the Funds' service providers and officers. The Funds' Adviser, Subadviser, administrator, officers and legal counsel prepare regular reports to each Fund's Board that address certain investment, valuation, compliance and other matters, and the Board as a whole or its committees may also receive special written reports or presentations on a variety of risk issues at the request of the Board, a committee, the Chairman or a senior officer.

Each Board receives regular written reports describing and analyzing the investment performance of the Funds. In addition, the portfolio managers of the Funds and representatives of the Subadvisers meet with each Board periodically to discuss portfolio performance and answer the Board's questions with respect to portfolio strategies and risks.

Each Board receives regular written reports from the Funds' Chief Financial Officer ("CFO") that enable the Board to monitor the number of fair valued securities in each Fund's portfolio; and Board members have the ability to discuss with the CFO the reasons for the fair valuation and the methodology used to arrive at the fair value. The Board and/or the Audit Committee may also review valuation procedures and pricing results with the Funds' independent auditors in connection with the review of the results of the audit of the Funds' year-end financial statements.

Each Board also receives regular compliance reports prepared by the compliance staff of the Adviser and the Subadvisers, and meets regularly with

the Funds' Chief Compliance Officer ("CCO") to discuss compliance issues, including compliance risks. As required under applicable rules, the Independent Directors meet regularly in executive session with the CCO, and the CCO prepares and presents an annual written compliance report to the Board. The CCO, as well as the compliance staff of the Adviser, provide the Board with reports on their examinations of functions and processes within the Adviser and the Subadvisers that affect the Funds. The Board also adopts compliance policies and procedures for the Funds and approves such procedures as appropriate for certain of the Funds' service providers. The compliance policies and procedures are specifically designed to detect and prevent violations of the federal securities laws.

In connection with its annual review of each Fund's advisory, subadvisory and administration agreements, the Board reviews information provided by the Adviser, the Subadvisers and administrator relating to their operational capabilities, financial conditions and resources. The Board may also discuss particular risks that are not addressed in its regular reports and processes.

Each Board recognizes that it is not possible to eliminate all of the risks applicable to a Fund. The Board periodically reviews the effectiveness of its oversight of the Fund and any other funds overseen by the Board, and the processes and controls in place to limit identified risks. The Board may, at any time and in its discretion, change the manner in which it conducts its risk oversight role.

Committees of the Board

Each Board has established a number of standing committees to oversee particular aspects of each Fund's management. As of the date of this proxy statement, these are:

Audit Committee. Each Board has adopted a written charter for each Fund's audit committee (the "Audit Committee"). The Audit Committee is responsible for overseeing each Fund's accounting and auditing policies and practices. The Audit Committee reviews each Fund's financial reporting procedures, system of internal control, the independent audit process, and each Fund's procedures for monitoring compliance with investment restrictions and applicable laws and regulations and with the Code of Ethics. The Audit Committee is currently composed entirely of Independent Directors, who are also considered "independent" for purposes of the listing standards of the New York Stock Exchange (the "NYSE"). The Audit Committee's current members are Donald C. Burke; John R. Mallin; Connie D. McDaniel, Chairperson; and Brian T. Zino. William R. Moyer also is an Advisory Member of the Audit Committee. Each Board has determined that each of Brian T. Zino, Donald C. Burke and Connie D. McDaniel possesses the technical attributes to qualify as an "audit committee financial expert," and has designated each of them as an Audit Committee financial expert for each Fund.

In accordance with proxy rules promulgated by the SEC, the Fund's Audit Committee charter is being filed as an exhibit to this Proxy Statement, and is available at: <https://www.virtus.com/assets/files/17c/audit-committee-charter.pdf>.

Governance and Nominating Committee. Each Board has adopted a written charter for each Fund's governance and nominating committee (the "Governance and Nominating Committee"). The Governance and Nominating Committee is responsible for developing and maintaining governance principles applicable to the Funds, for nominating individuals to serve as Directors, including as Independent Directors, and annually evaluating the Board and Committees.

The Governance and Nominating Committee considers candidates for directorship and makes recommendations to each Board with respect to such candidates. There are no specific required qualifications for directorship. The committee considers all relevant qualifications of candidates for directorship, such as industry knowledge and experience, financial expertise, current employment and other board memberships, and whether the candidate would be qualified to be considered an Independent Director. The Board believes that having among its members a diversity of viewpoints, skills and experience and a variety of complementary skills enhances the effectiveness of the Board in its oversight role. The committee considers the qualifications of candidates for directorship in this context.

Each Board has adopted a policy for consideration of Director nominations recommended by shareholders. With regards to such policy, among other requirements, any shareholder group submitting a nomination must beneficially own, individually or in the aggregate, for at least two full years prior to the date of submitting the nomination, and through the date of the meeting at which such nomination is considered, 4% of the shares of a class of the Fund for which the Director nominee is submitted. Shareholder nominees for Director will be given the same consideration as any other candidate provided the nominee meets certain minimum requirements.

The Governance and Nominating Committee is currently composed entirely of Independent Directors; its current members are James M. Oates, Chairman; Sidney E. Harris, Philip R. McLoughlin; and Brian T. Zino.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (as amended, the “1934 Act”) and Section 30(h) of the 1940 Act require, among other persons, the officers and Directors of the Funds, Adviser and certain affiliates of the Adviser (“Reporting Persons”) to file reports of ownership of the Funds’ securities and changes in such ownership with the SEC and the NYSE. Reporting Persons are also required by such regulations to furnish the Funds with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of Forms 3, 4 and 5 and amendments thereto furnished to the Funds and representations of certain Reporting Persons, each Fund believes that all required Section 16(a) ownership reports were filed during its most recent fiscal year, except that two Form 4s were filed late by R. Keith Walton. One of the late Form 4s related to one acquisition of Common Shares of VGI on February 26, 2020; and the other late Form 4 related to one purchase of Common Shares of ZTR which also occurred on February 26, 2020. Form 4s for the foregoing transactions have since been filed with the SEC.

Information about the Fund’s Independent Registered Public Accountant

The 1940 Act requires that each Fund’s independent registered public accounting firm be selected by the vote, cast in person, of a majority of the

members of the Board who are not interested persons of the Fund. In addition, the listing standards of the NYSE vest the Audit Committee, in its capacity as a committee of the Board, with responsibility for the appointment, compensation, retention and oversight of the work of the Fund's independent registered public accounting firm. The Funds' financial statements for the year ended November 30, 2020, have been audited by PricewaterhouseCoopers LLP ("PwC"), an independent registered public accounting firm. PwC has also been selected to perform the audit of the Funds' financial statements for the fiscal year ending November 30, 2021. Representatives of PwC are not expected to be present at the Annual Meeting.

Audit Committee Report

The Audit Committee oversees the Fund's financial reporting process on behalf of the Board of Directors or Board of Trustees of each Fund and operates under a written charter adopted by the Board. The Committee meets with the Funds' management ("Management") and independent registered public accounting firm and reports the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In connection with the audit of each Fund's financial statements for the fiscal year ended November 30, 2020, the Audit Committee: (1) reviewed and discussed each Fund's 2020 audited financial statements with Management, (2) discussed with the independent auditors the matters required to be discussed by applicable standards adopted by the Public Company Accounting Oversight Board, (3) received and reviewed the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and (4) discussed with the independent accountant its independence. Based on the foregoing reviews and discussions, the Audit Committees recommended to the Boards that each Fund's audited financial statements be included in each Fund's Annual Report to Shareholders for the fiscal year ended in 2020.

The Audit Committee's Pre-Approval Policies and Procedures

Each Board has adopted policies and procedures with regard to the pre-approval of services provided by PwC. Audit, audit-related and tax compliance services provided to the Funds on an annual basis require specific pre-approval by each Audit Committee. Each Audit Committee must also approve other non-audit services provided to each of the Funds and those non-audit services provided to the Funds' affiliated service providers that relate directly to the operations and financial reporting of the Funds. Certain of these non-audit services that the Board believes are (i) consistent with the SEC's auditor independence rules and (ii) routine and recurring services that will not impair the independence of the independent auditors may be approved by a Board without consideration on a specific case-by-case basis.

During the fiscal year ended November 30, 2020, all audit, audit-related, tax and non-audit services provided by the Funds' independent registered public accounting firm to the Adviser or Subadvisers, or any entity controlling, controlled by, or under common control with the Adviser or Subadvisers, were pre-approved by each Fund's Audit Committee. For more information about the Funds' independent registered public accounting firm, see "Additional Information — Independent Auditors."

Shareholder Communications to the Directors

Each Board has adopted the following procedures for shareholders and other persons to send communications to the Board. Shareholders and other persons may mail written communications to the full Board, to committees of the Board or to specific individual Directors in care of the applicable Fund, 101 Munson Street, Greenfield, MA 01301. All such communications received by the Funds will be forwarded to the full Board, the relevant Board committee or the specific individual Director, as applicable, except that the Funds may, in good faith, determine that a communication should not be so forwarded if it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Fund or is purely ministerial in nature.

VOTING REQUIREMENTS AND OTHER INFORMATION

Voting Requirements

Voting requirements for each proposal are outlined within the discussion supporting each respective proposal. For purposes of the Annual Meeting, a quorum for a Fund is present to transact business if the holders of a majority of the outstanding common shares of that Fund entitled to vote at the Annual Meeting are present in person (virtually) or by proxy.

Shares present in person (virtually) or represented by proxy at the Annual Meeting and abstentions will be included in determining the existence of a quorum at the Annual Meeting. An uninstructed proxy for shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter is a broker “non-vote.” Proxies that reflect broker non-votes will also be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. With respect to Proposals 1a-1f to elect Directors, where the vote required to approve is the affirmative vote of a percentage of votes cast, broker non-votes or abstentions have no effect because they are not a vote cast. Thus, they are disregarded in determining the “votes cast” on the particular issue.

Signed but unmarked proxies will be voted in accordance with the Board’s recommendation for each Proposal.

Adjournment

If a quorum is not present in person (virtually) or by proxy at the time the Annual Meeting is called to order, or there are not sufficient votes to approve a proposal, the chairperson of the Annual Meeting may, with respect to that proposal, adjourn the Annual Meeting if the chairperson determines that an adjournment and further solicitation is reasonable and in the interest of shareholders. In determining whether to adjourn the Annual Meeting, the following factors may be considered: the percentage of votes actually cast, the percentage of negative votes actually cast, the nature of any further solicitation and the information to be provided to shareholders with respect to the reasons for the solicitation.

ADDITIONAL INFORMATION ABOUT THE ANNUAL MEETING AND THE FUNDS

Further Information About Voting and the Annual Meeting

Instructions regarding how to vote via telephone or the Internet are included on the proxy card. The required control number for Internet and

telephone voting is printed on the proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, shares are voted in accordance with the proxy card bearing the latest date.

In the event that the Funds solicit votes by having calls placed by officers or employees of the Funds and/or Adviser, or their affiliates, or representatives of a proxy solicitation firm, authorization to permit execution of proxies may be obtained by the representatives of the proxy solicitation firm receiving telephonic instructions from shareholders of the Funds. Proxies that are obtained telephonically will be recorded in accordance with procedures that the Funds believe are reasonably designed to ensure that the identity of the shareholder casting the vote is accurately determined and that the voting instructions of the shareholder are accurately determined.

Only shareholders or their duly appointed proxy holders can attend (virtually) the Annual Meeting and any adjournment or postponement thereof. You will be able to attend and participate in the Annual Meeting online, vote your shares electronically and submit your questions by visiting: www.meetingcenter.io/284810290 at the meeting date and time described in the accompanying proxy statement and entering the control number found in the shaded box of your proxy card. The password for the meeting is VIR2021.

If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Annual Meeting virtually on the Internet. To register to attend the Annual Meeting online by webcast you must submit proof of your proxy power (legal proxy) reflecting your Fund holdings along with your name and email address to Computershare. Requests for registration must be labeled as "Legal Proxy" and be received no later than 5:00 p.m. Eastern Time on May 14, 2021.

You will receive a confirmation of your registration by email after we receive your registration materials.

Requests for registration should be directed to us by emailing an image of your legal proxy to shareholdermeetings@computershare.com.

The online meeting will begin promptly at 9:00 a.m. Eastern Time. We encourage you to access the meeting prior to the start time leaving ample time for the check in. Please follow the registration instructions as outlined in this proxy statement.

All shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke their proxies at any time prior to the time they are voted by giving written notice to the Secretary of the Funds, by delivering a subsequently dated proxy (including via telephone or the Internet) prior to the date of the Annual Meeting or by attending (virtually) and voting at the Annual Meeting. Merely attending the Annual Meeting (virtually), however, will not revoke any previously submitted proxy.

The Board has fixed the close of business on March 29, 2021, as the record date for the determination of shareholders of the Funds entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Funds on that date will be entitled to one vote on each matter to be voted on for each share held and a fractional vote with respect to each fractional share with no cumulative voting rights.

Expenses and Proxy Solicitation

The Funds will bear the expense of the Annual Meeting, including preparation, printing and mailing of the enclosed form of proxy, accompanying Notice of Annual Meeting and this Proxy Statement. Each Fund will bear one-half of such expenses, except for mailing expenses, which are paid by each Fund based on its actual mailing expenses to its shareholders. Each Fund, upon request, will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of that Fund's Shares. In order to obtain the necessary quorum at the Meeting, supplementary solicitation may be made by mail, telephone or personal interviews by officers or employees of the Funds and/or Adviser, or their affiliates, or representatives of a proxy solicitation firm. The Funds' officers will not receive any additional compensation for such solicitation, though a proxy solicitation firm (if one is used) will. The Funds will bear 100% of solicitation costs, if any.
