

## Virtus Convertible & Income Fund II Postpones Monthly Distribution on Common Shares

**HARTFORD, CT, October 3, 2022** - [Virtus Convertible & Income Fund II](#) (NYSE: NCZ), a closed-end fund, today announced that it has postponed payment of its monthly distribution of \$0.0375 per common share that was scheduled to be paid on October 3, 2022 to shareholders of record as of September 12, 2022, and has postponed declaration of its monthly distribution of \$0.0375 per common share that was scheduled to be declared on October 3, 2022 for payment on November 1, 2022.

Recent market dislocations have caused the values of the Fund's portfolio securities to decline and, as a result, the Fund's asset coverage ratio for total leverage as of September 30, as calculated in accordance with the Investment Company Act of 1940, was below the 200% minimum asset coverage guideline. Compliance with the asset coverage ratio is required by the Fund's governing documents for declaration or payment of the monthly distribution. As a result, the Fund is not authorized to declare or pay its monthly distribution until the coverage ratio is in compliance. The Fund intends to pay the October 3 common share distribution and resume declaration and payment of its monthly common share distributions once its coverage ratio is in compliance.
