IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal Law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may check the information you provide against publicly available databases, information obtained from consumer reporting agencies, other financial institutions or other services. If reasonable efforts to verify your identity have failed, we reserve the right to close the account and redeem the shares at the net asset value next calculated after the decision is made by us to close the account.

Pursuant to anti-money laundering rules, U.S. financial institutions must perform due diligence, and in some cases enhanced due diligence, with respect to certain correspondent accounts. As such, we may require additional documentation to conduct an assessment for the correspondent account. If we are unable to obtain and verify the information, we reserve the right to close the account at the next calculated net asset value.

4. Certification of Beneficial Owners for Legal Entity Customers

What is this?

To help the government fight financial crime, Federal regulation requires certain financial institutions to obtain, verify and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud, and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

Who has to complete this information?

This section must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

For the purposes of this application, a **legal entity** includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or a foreign country. **Legal entity** does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

What information do I have to provide?

This application requires you to provide the name, address, date of birth and Social Security number (or passport number or other similar information, in the case of foreign persons) for the following individuals (i.e., the **beneficial owners**):

- (i) Each individual, if any, who owns, directly or indirectly, 25 percent or more of the equity interests of the legal entity customer (e.g., each natural person that owns 25 percent or more of the shares of a corporation); **and**
- (ii) An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President or Treasurer).

The number of individuals that satisfy this definition of "beneficial owner" may vary. Under section 4(c), below, depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified. Regardless of the number of individuals identified under section 4(c), you must provide the identifying information of one individual under section 4(d), below. It is possible that in some circumstances the same individual might be identified under both sections (e.g., the President of Acme, Inc. who also holds a 30% equity interest). Thus, a completed form will contain the identifying information of at least one individual (under section 4(d)), and up to five individuals (i.e., one individual under section 4(d) and four 25 percent equity holders under section 4(c)).

If the legal entity information requested on this form is not provided, we will be unable to establish an account. Virtus Mutual Funds may also ask to see a copy of a driver's license or other identifying document for each beneficial owner listed on this application.

Certification of Beneficial Owner(s)

Persons opening an account on behalf of a legal entity must provide the following information:

a. Name and Title of Natural Person Opening the Account:

b. Name and Address of Legal Entity for Which the Account is Being Opened:

c. The following information for each individual, if any, who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, owns 25 percent or more of the equity interests of the legal entity listed above:

6. Cost Basis Election

IRS regulations require mutual fund companies to report cost basis on mutual fund purchases made after January 1, 2012 ("covered shares") on accounts that are eligible for 1099-B tax reporting. The Funds have elected Average Cost as our default method. You have the option to choose the same method as our default or you may choose any of the other cost basis reporting methods. This election is good for all future transactions unless you either revoke or change the election.

The average cost method can be revoked, and replaced with another method, up to the time of the first disposition of covered shares. After the first disposition of covered shares has occurred, then a change from the Average Cost method is effective only for the shares acquired after the change was made. Shares acquired prior to the change will retain the previously averaged cost per share for the purpose of calculating the gain or loss at the time of the sale. Note: IRS Regulations do not permit the change of a cost basis election on executed trades.

You may choose one cost basis election method to apply to all Funds under one account number or you may choose a different cost basis election for each Fund held under the account number. If you elect to choose a different cost basis election for each Fund held under the account number, please complete our **Cost Basis Election Form**, which is available on our website www.Virtus.com, and submit with this application. Otherwise, the following election will apply to all Funds that are established under your new account number. Please elect one of the following cost basis methods:

- Average Cost** – Calculates the cost of shares in an account by averaging the cost of all purchases of covered shares. The gain/loss is calculated by taking the cumulative dollar cost of the covered shares owned and dividing it by the number of covered shares in the account.
- First In, First Out (FIFO)** – Shares acquired first in the account are the first shares depleted.
- Last In, First Out (LIFO)** – Shares acquired last in the account are the first shares depleted.
- High Cost In, First Out (HIFO)** – Shares acquired with the highest cost per share are the first shares depleted.
- Low Cost In, First Out (LIFO)** – Shares acquired with the lowest cost per share are the first shares depleted.
- High Cost Long-Term In, First Out (HILT)** – The long-term highest cost shares are the first shares depleted.
- High Cost Short-Term In, First Out (HIST)** – The short-term highest cost shares are the first shares depleted.
- Low Cost Long-Term In, First Out (LILT)** – The long-term lowest cost shares are the first shares depleted.
- Low Cost Short-Term In, First Out (LIST)** – The short-term lowest cost shares are the first shares depleted.
- Specific Lot Depletion** – This method allows you to specify exactly which shares you are selling at the time of the sale.

Due to the tax and financial consequences associated with this election, we recommend that you review the information available on the IRS website, www.irs.gov and/or consult a tax or financial advisor for guidance.

If you do not make an election, we will apply our default method Average Cost to all of your Funds and accounts.
