- Type of Account:**  **Checking Account** – Voided check required. Starter checks will not be accepted.
- Savings Account** – A letter from your bank on bank letterhead confirming the banking information is required.

**IMPORTANT:** The form must be submitted at least 10 business days prior to the first transaction for the banking information to be properly verified.

**3. Options – Check one or more of the following options.**

There is a \$100 minimum per fund for the Systematic Purchase and the Invest-by-Phone/Internet Purchase Options.

- Option 1. Systematic Purchase** – Initiates regularly scheduled investments from my bank account via Automated Clearing House (ACH).

Amount of purchase \$ \_\_\_\_\_ Frequency:  Monthly  Quarterly  Semi-Annual  Annual

Day of the month for withdrawals \_\_\_\_\_ (If no selection is made, the withdrawals will occur on or about the 15<sup>th</sup> of the month)

**Provisions:** Each purchase of shares will be made at the current offering price determined as of the close of business on the day on which such purchase is made. The purchase date may differ from your chosen day if it falls on a weekend or holiday. This option may be revoked or discontinued by either Virtus Fund Services or the purchaser upon 30 days written notice to the other. Virtus Fund Services reserves the right to cancel any transaction which was executed in reliance on a draft authorized hereunder where the bank upon which the draft was drawn refused to make payment thereon for any reason. *Withdrawals will begin as soon as possible after the banking information has been verified, unless a later date is specified.*

- Option 2. Invest-by-Phone/Internet Purchase** - Allows for additional share purchases via ACH with a telephone call to Virtus Mutual Funds or account access via the Internet. Once a request is initiated, the Transfer Agent or its subagent will initiate the transaction by wiring a request for monies to the shareholder's commercial bank, savings bank or credit union via ACH. The shareholder's bank, which must be an ACH member, will in turn forward the monies to the Transfer Agent or its subagent for credit to the shareholder's account. The purchase is normally credited to the shareholder's account the day following receipt of instructions in good order.

**Provisions:** I/We understand that the Fund may delay the mailing of a check for the proceeds of the redemption of Fund shares purchased via the Invest-by-Phone/Internet Purchase option until the Fund has assured itself that good payment has been collected for the shares which may take up to 10 business days. I/We understand that I/we may terminate this option at any time in writing to Bank of New York Mellon and that any written notification will go into effect as soon as the Transfer Agent or my/our bank has the reasonable opportunity to act on it.

- Option 3. Telephone/Internet Redemption\*** – Allows shareholders to have up to \$50,000 withdrawn and sent to their designated bank account or to the account mailing address on file according to the terms of the prospectus. Calls/trades received before the market close (generally 4:00 PM Eastern Time for the NYSE) will receive that day's closing price. Calls/trades received after the market close will receive the next day's closing price.

**Provisions:** Request received by telephone to redeem shares may be sent to the address of record or the bank account designated on our records. Redemptions made with this option may be made via ACH or federal fund wire. Redemption payments made via ACH will be made within one to three business days and redemption payments through federal fund wire will typically be made the next business day and may be subject to a fee at your chosen bank. If there are insufficient funds in an account to meet a redemption order, the transaction will not be processed. Shares must have been owned for at least 10 calendar days before they can be redeemed. **This option is NOT available for 403(b) accounts.** \*The Internet Redemption option is not available for all account types. Eligible shareholders who wish to process internet redemptions or exchanges must establish a User ID and log into their account on Virtus.com. Please contact our office for additional information.

Additional requirements apply to 403(b) accounts. Please contact our Customer Service Department for additional information.
