IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal Law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may check the information you provide against publicly available databases, information obtained from consumer reporting agencies, other financial institutions or other services. If reasonable efforts to verify your identity have failed, we reserve the right to close the account and redeem the shares at the net asset value next calculated after the decision is made by us to close the account.

Pursuant to anti-money laundering rules, U.S. financial institutions must perform due diligence, and in some cases enhanced due diligence, with respect to certain correspondent accounts. As such, we may require additional documentation to conduct an assessment for the correspondent account. If we are unable to obtain and verify the information, we reserve the right to close the account at the next calculated net asset value.

Bolded fields are required to be completed and will be verified. If bolded fields in Sections 1 and 2 are not completed, this application will not be accepted.

Not insured by FDIC/NCUSIF or any federal government agency. No bank guarantee. Not a deposit. May lose value.

Calls/trades received after the market close will receive the next day's closing price.

Exchanges can only be made when the shares are of the same class and are subject to limitations as described in the current prospectus (e.g., Class A to Class A). Virtus Newfleet Multi-Sector Short Term Bond Fund Class C1 may be exchanged for Class C of any other Virtus Mutual Fund.

Redemptions being sent to a bank account may be made via ACH or federal fund wire. Redemption payments made via ACH will be sent within one to three business days and redemption payments through federal fund wire will typically be sent the next business day and may be subject to a fee at your chosen bank. If there are insufficient funds in an account to meet a redemption order, the transaction will not be processed. Shares must have been owned for at least 10 calendar days before they can be redeemed.

*The Internet Redemption option is not available for all account types. Eligible shareholders who wish to process internet redemptions or exchanges must establish a User ID and log into their account on Virtus.com. Please contact our office for additional information.

10. Cost Basis Election

IRS regulations require mutual fund companies to report cost basis on mutual fund purchases made after January 1, 2012 ("covered shares") on accounts that are eligible for 1099-B tax reporting. Virtus Mutual Funds has elected Average Cost as our default method. You have the option to choose the same method as our default or you may choose any of the other cost basis reporting methods. This election is good for all future transactions unless you either revoke or change the election.

The average cost method can be revoked, and replaced with another method, up to the time of the first disposition of covered shares. After the first disposition of covered shares has occurred, then a change from the Average Cost method is effective only for the shares acquired after the change was made. Shares acquired prior to the change will retain the previously averaged cost per share for the purpose of calculating the gain or loss at the time of the sale. Note: IRS Regulations do not permit the change of a cost basis election on executed trades.

You may choose one cost basis election method to apply to all funds under one account number or you may choose a different cost basis election for each fund held under the account number. If you elect to choose a different cost basis election for each fund held under the account number, please complete our **Cost Basis Election Form**, which is available on our website www.Virtus.com, and submit with this application. Otherwise, the following election will apply to all funds that are established under your new account number. Please elect one of the following cost basis methods:

- Average Cost** – Calculates the cost of shares in an account by averaging the cost of all purchases of covered shares. The gain/loss is calculated by taking the cumulative dollar cost of the covered shares owned and dividing it by the number of covered shares in the account.
- First In, First Out (FIFO)** – Shares acquired first in the account are the first shares depleted.
- Last In, First Out (LIFO)** – Shares acquired last in the account are the first shares depleted.
- High Cost In, First Out (HIFO)** – Shares acquired with the highest cost per share are the first shares depleted.
- Low Cost In, First Out (LIFO)** – Shares acquired with the lowest cost per share are the first shares depleted.
- High Cost Long-Term In, First Out (HILT)** – The long-term highest cost shares are the first shares depleted.
- High Cost Short-Term In, First Out (HIST)** – The short-term highest cost shares are the first shares depleted.
- Low Cost Long-Term In, First Out (LILT)** – The long-term lowest cost shares are the first shares depleted.
- Low Cost Short-Term In, First Out (LIST)** – The short-term lowest cost shares are the first shares depleted.
- Specific Lot Depletion** – This method allows you to specify exactly which shares you are selling at the time of the sale.

Due to the tax and financial consequences associated with this election, we recommend that you review the information available on the IRS website, www.irs.gov and/or consult a tax or financial advisor for guidance.

If you do not make an election, we will apply our default method Average Cost to all of your funds and accounts.

Payment of funds is authorized by the signature(s) above. Regular checks may not be for less than \$250.

If the Checkwriting section is signed by more than one person, all checks will require only one of the signatures, unless otherwise indicated. Each signer guarantees the other's signature. The Bank of New York Mellon ("the Bank") is hereby appointed agent by the persons signing the Checkwriting section (the "Shareholders") and, as agent, is authorized and directed to present checks drawn on this checking account to Virtus Mutual Funds or its redemption agent as requested to redeem shares registered in the name of the Shareholders in the amounts of such checks, and to deposit the proceeds of such redemptions in this checking account. The Bank shall be held liable only for its own negligence. Shareholders hereby authorize Virtus Mutual Funds or its redemption agent to honor redemption requests presented in the above manner by the Bank. Virtus Mutual Funds and its redemption agent will not be held liable for any loss, expense or cost arising out of check redemptions. The Bank has the right not to honor checks in amounts exceeding the value of the Shareholders' account at the time the check is presented for payment less the value of any shares purchased by other than Federal Funds wire in the preceding 10 calendar days. The Shareholders agree to be subject to the rules and regulations of the Bank pertaining to this checking account as amended from time to time.
