VIRTUS AND ZWEIG CLOSED-END FUNDS ANNOUNCE ACTIONS

HARTFORD, CT September 7, 2016 – The Boards of Directors of the [Virtus Total Return Fund](#) (NYSE: DCA), [The Zweig Fund](#) (NYSE: ZF) and [The Zweig Total Return Fund](#) (NYSE: ZTR) today announced proposed actions as a result of a comprehensive assessment of each fund and its competitive positioning in the current market environment.

DCA:

- Subject to shareholder approval, DCA will reorganize and effect a merger with ZF by acquiring ZF's assets and assuming its liabilities in exchange for shares of DCA. The combined fund would retain DCA's name, its investment strategy, and Duff & Phelps Investment Management and Newfleet Asset Management as subadvisers. The combined fund would also establish a tender offer program consistent with the previously announced ZF program, consisting of two tender offers (one unconditional and one conditional), each up to 5 percent of shares. The combined fund's quarterly distribution would also be raised to a level that approximates 10 percent of its net asset value (NAV) upon completion of the reorganization.
- At a special meeting scheduled for November 18, 2016, DCA shareholders will be asked to approve the reorganization and the election of Brian T. Zino, currently a director on the ZF and ZTR boards, to serve on the DCA board.

ZF:

- The board of ZF named Virtus Investment Advisers to replace Zweig Advisers as adviser and appointed Duff & Phelps and Newfleet as subadvisers.

- ZF's investment strategy has been changed to total return, consisting of both capital appreciation and current income, with a target allocation of 60 percent equities and 40 percent fixed income.
- ZF shareholders will be asked to approve the reorganization of ZF into DCA, as described above, at a special meeting that is scheduled for November 18, 2016.

ZTR:

- The board of ZTR named Virtus Investment Advisers to replace Zweig Advisers as adviser and appointed Kayne Anderson Rudnick and Newfleet Asset Management as subadvisers, and nominated William R. Moyer, currently a director on the DCA board, for election as a director at a special meeting that is scheduled for November 18, 2016.
- ZTR's investment strategy has been changed to a target allocation of 60 percent equities, using Kayne Anderson Rudnick's global dividend yield strategy, and 40 percent fixed income, utilizing Newfleet's multi-sector core plus strategy. ZTR will change its name to the Virtus Global Dividend & Income Fund Inc. on September 26, 2016 and will begin trading under its new name on September 27, 2016. The ticker symbol will remain ZTR.

If the reorganization of DCA and ZF is approved by shareholders, the first tender offer under the DCA tender offer program is expected to commence on or about November 25, 2016. The second, a conditional tender offer, would occur six months after the close of the first tender, only if the fund's average trading discount, calculated as the percentage difference between NAV and its volume-weighted average price on each trading day, is more than 8 percent for a specified 12-week period. Each tender would involve the purchase of shares at a price equal to 98 percent of NAV per share as of the close of regular trading on the New York Stock Exchange on the date the tender offers expire.

Additional terms and conditions of the proposed tender offers will be set forth in the fund's offering materials with respect to such offer. If the number of shares tendered exceeds the maximum amount of any tender offer, the fund will purchase shares from tendering shareholders on a pro-rata basis. Accordingly, shareholders cannot be assured that the fund will purchase all of the tendered shares.

Further information about the tender offer program will be announced by future press releases. This announcement is not a recommendation, an offer to purchase, or a solicitation of an offer to sell shares of the fund. The fund has not yet commenced any tender offer described in this release. Any tender offer will be made only by an offer to purchase, a related letter of transmittal, and other documents that will be filed with the Securities and Exchange Commission (SEC) as exhibits to a tender offer statement on Schedule TO and will be available free of charge at the SEC's website at www.sec.gov. With respect to any tender offer, shareholders should read the offer to purchase and tender offer statement on Schedule TO and related exhibits when those documents are filed and become available as they will

contain important information about the tender offer. The fund will also make available, without charge, the offer to purchase and the letter of transmittal.
